- When the permanent disability is 70 % or greater, life pension weekly payments are made at the above rate, depending the percentage of disability.  
Formula: Life pension = ( % - 60 ) x .015 x (Weekly Earnings within maximum, table immediately above) LC 4659
- There have been no increases in maximum weekly earnings since 1/1/2006.
- Date life pension payments start is not reflected in the above tables because life pension payments do not commence until permanent partial payments end. For a date of injury in 2003 with a permanent partial disability of 70% life pension payments would not start until 426.5 weeks after the permanent and stationary date. Payments would not begin until 8.17 years after the P&S date.
- For DOI on or after 1/1/2003 the rate of payment is not known until the start of payments due to COLA increases. COLA increases commence on Jan 1 after the start of the life pension.
- "For injuries occurring on or after January 1, 2003, an employee who becomes entitled to receive a life pension or total permanent disability indemnity ... shall have that payment increased annually commencing on January 1, 2004, and each January 1 thereafter, by an amount ..." LC 4659(c)

- Death benefits are paid in payments at the same rate as temporary total disability unless otherwise ordered by WCAB except the minimum payment is \$224.00 per week. LC 4702(b)
- Rate of payment is the rate in effect at the date of injury and remains that rate for the first two years following the date of injury. After two years from the date of injury any payments are increased to the temporary total disability rate currently in effect at the date of payment. LC 4661.5

If the date of injury is in 2008 the maximum rate is \$916.33. LC 4453(a)(10) Payments below maximum and above \$224.00 are not increased yearly by a COLA.
- Payments will be the same for the first two years after date of injury then if 2/3 of weekly wage is above maximum the payment will increase to the maximum. - Where there is one or more totally dependent minor children, payments shall continue after the benefit is paid until the youngest child attains the age of 18 or until the death of a child physically or mentally incapacitated from earnings.   - Spouse earning less than \$30,000 in the preceding 12 months at time of death.
- Where there are two or more total dependents there is no increase for partial dependents.
- If there are no total dependents and one or more partial dependents, the partial dependents share in accordance with their relative extent of dependency.
